Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 26 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Turning drier and clearer, remaining mild.

Today:
A much brighter day on Boxing Day with some heavy showers at times across the region. Some sunny spells are likely by the afternoon, another mild day. Maximum temperature 8 deg C (46 deg F).

Tonight:
Dry for much of the night but rather murky for many. Further rain will arrive in the far southwest during the early hours. Minimum temperature 1 deg C (34 deg F).

Monday:
A band of rain will spread northeastwards across the southwest throughout the day, perhaps turning heavy for a time. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:
Drier on Tuesday, murky for many but some sunshine possible by the afternoon. Further rain and strong winds Wednesday, with a exceptionally mild end of the week.
